

Join us for the 8th Annual Day for Special Smiles

In partnership with Special Olympics Arizona and the Arizona Dental Foundation, A.T. Still University's Arizona School of Dentistry & Oral Health is looking for volunteers to help provide limited dental treatment to eligible patients with intellectual and developmental disabilities at the Rick Workman Advanced Care Clinic on Friday, October 26, 2018!

Last year, dental and non-dental volunteers provided dental services valued at \$25,000 to over 75 individuals with disabilities.

THIS YEAR – WE ARE DOING IT AGAIN!
We need dentists, hygienists, dental & hygiene students, other health professionals, and general volunteers!

BREAKFAST & CHECK-IN:
6:00AM
Lunch will be provided
Event concludes at 3pm
